General Refuge Hunting Regulations

All hunters must have a refuge hunting permit and government-issued picture ID. These permits can be revoked at any time at the discretion of the refuge manager or their representative.

Hunting in violation of any Delaware State law is a violation of refuge hunting regulations.

Hunters must display for inspection all permits, game, equipment, weapons, and ammunition, to Federal and State enforcement officers.

Hunters may not be on the refuge earlier than two hours before the legal morning shooting time.

Any youth from 10 years through 15 years old may hunt. These young hunters must be accompanied by an adult 21 years of age or older. Adult companions must be licensed to hunt in Delaware, but may not possess a firearm during the hunt. Hunters 13 -15 years of age must have completed a hunter education course and possess a certification card and must also purchase a Delaware junior hunting license. “Accompanied and directly supervised” means the adult is within 5 feet of, maintains close visual and verbal contact with, provides adequate direction to, and can immediately assume control of the firearm from the youth hunter.

All hunters in a non-lottery hunt area must complete a harvest information report(s) at the end of the hunting season and submit them to the refuge by mail (11978 Turtle Pond Road, Milton, DE 19968), email (fw5rw_phnwr@fws.gov), or fax (302.684.8504). Harvest information reports are available on the refuge’s website or at the refuge office. Hunters who do not complete their harvest information report in the specified time period will have their

hunting privileges revoked, at the refuge manager’s discretion.
