

In Search of Eagles

When: Saturday December 13, 2014, 9:00 am - 11:00 am

Where: Eagle Viewing at McHenry Dam, Algonquin Dam & Carpentersville Dam
Other activities at Prairieview Educational Center, 2112 Behan Road, Crystal Lake, Illinois

What: View bald eagles using our scopes and binoculars at each location. Visit the one closest to you or visit all three! Maps to the locations are available online at www.MCCDistrict.org or at Prairieview Educational Center.

After your outdoor excursions, enjoy some free hot chocolate at the Prairieview Educational Center in Crystal lake to learn more about eagles in our area through crafts and activities. Also, sign up for our special free presentation “Eagles of Illinois”! Details below.

Cost: All activities are FREE

Who: YOU!! Join representatives from the U.S. Fish and Wildlife Service, Friends of Hackmatack National Wildlife Refuge, Illinois Department of Natural Resources, and McHenry County Audubon as we search for and learn about eagles.

Eagles of Illinois

This special presentation, by the Illinois Raptor Center, will follow the day’s other activities. You will meet two kinds of eagles (Bald and Golden), so you can see the power and beauty of these truly magnificent birds of prey. You will also see other birds of prey that are commonly misidentified as eagles.

Details:

- ❖ 11:00 am – 12:00 pm at Prairieview Educational Center
- ❖ Program is free but **space is limited and registration is required**. To register, go online at www.MCCDistrict.org and search for Eagles of Illinois, or register by phone at 815-479-5779.
- ❖ For all ages
- ❖ Sponsored by the U.S. Fish and Wildlife Service
