### *Connecting Young People to Nature*

The Federal Junior Duck Stamp Conservation and Design Program (JDS) is a dynamic arts and science curriculum that teaches wetlands and waterfowl conservation to students in kindergarten through high school. The program incorporates scientific and wildlife management principles into a visual arts curriculum, with participants completing a JDS design as their visual “term papers.”

### *Minnesota Junior Duck Stamp Education Trunk*

The Minnesota Junior Duck Stamp Education Trunk is designed to assist educators in preparing activities for exploring and learning about waterfowl and wetland habitats. It contains the Federal Junior Duck Stamp curriculum, spotting scope, drawing supplies, videos, field guides, and literature. The education trunk is available for loan throughout Minnesota.
