We are seeking your input on proposed public use of the Strazzulla Tract.

The 2,586-acre Strazzulla Tract will be managed by the Arthur R. Marshall Loxahatchee National Wildlife Refuge and consists of wet marsh, sawgrass, and cypress forest. The Environmental Assessment (EA) evaluates potential public recreational uses on the Strazzulla Tract and can be down loaded from the following web site:

<http://www.fws.gov/southeast/planning/EA/StrazzullaPublicUseDraft.html>

There will be a public meeting at 6:30 PM on August 17, 2015 at the Wellington Branch Library, 1951 Royal Fern Drive, Wellington, FL 33414. The Wellington Branch Library is just west of the Wellington Mall on Forest Hill Boulevard.

We respect and appreciate your input about the public use environmental assessment for Strazzulla Marsh. Comments and suggestions can be submitted to Steve Henry at Steven_S_Henry@fws.gov; 561-369-7190 (fax); or 10216 Lee Road, Boynton Beach, FL 33473. The public comment period is scheduled to run through September 25, 2015.

Sincerely,

Rolf Olson
Project Leader
Arthur R. Marshall Loxahatchee NWR
