

Lake Woodruff National Wildlife Refuge

Spring Turkey Hunt Regulations 2019

Lake Woodruff National Wildlife Refuge is located in the western section of Volusia County, Florida, near DeLeon Springs. The designated hunt areas contain approximately 11,000 acres of woodlands and bordering marsh.

Designated Hunt Areas:

Western Unit - includes Harry's Creek Swamp (all land between the St. John's River and Norris Dead River); Dexter, Tick, and Jones Islands, approximately 8,000 acres.

Note: Access to the Western Unit is by boat only, and participants must furnish their own transportation. There are a number of launching ramps and fishing camps that rent boats in the general area. The waters within the refuge are difficult to navigate at night.

Eastside Unit - includes approximately 1,000 acres of refuge lands west of the CSX Railroad to the East Marsh. The unit begins south of the East Side Road and continues south to the end of East Side Road and to the west up to the marsh line. Access to the Eastside Unit is only permitted from the Mud Lake Road entrance. Access from the railroad right of way is prohibited. The East Side Road may be open up to a week before each hunt for scouting. Stands, blinds, flagging, or other marking is prohibited until two days before your permitted hunt.

Volusia Tract - lies between Highland Park Road and Shell Road west of the CSX Railroad, and is approximately 2,000 acres. Access from the railroad right of way is prohibited. Motorized travel is prohibited.

General Hunting Regulations:

The regulations listed below supplement the General Regulations, which govern hunting on National Wildlife Refuges as set forth in Title 50, Code of Federal Regulations, Part 32. Hunting will be in accordance with applicable State regulations and subject to the following conditions.

Any game taken during the hunts must be checked at a self-check station or called in to the office at (386)985 4673 on the same day as harvest. Call-in information must include your permit number, date/time harvested, unit name, and game taken. Stations are located at the south end of the Volusia Tract off Shell Road, at the north end of the Volusia Tract off Highland Park Road, at the Ed Stone County Park off SR44, at Highland Park Fish Camp, and at the north end of East Side Road.

Scouting in the hunt area, whether or not you hold a permit for the current hunt, is not permitted during quota hunts.

No overnight use is permitted on the refuge. No one may enter the hunt area prior to two hours before sunrise, and all hunters must clear the area by two hours after sunset.

Target practice, airboats, fires, and dogs are prohibited on the refuge.

The use or possession of alcoholic beverages is prohibited.

It is unlawful to drive nails, spikes, or other metal objects into any tree, or to hunt from any tree in which a metal object has been driven.

No person shall cut, blaze or destroy any tree or remove any tree, shrub, or protected plant.

See state regulations for complete hunter safety requirements.

Littering and digging anywhere on the refuge are prohibited.

Only turkey and hogs are legal to take

Only bows, crossbows, and shotguns using a #2 shot size or smaller are permitted

Legal shooting hours are from ½ hour before sunrise until 1 p.m.

Stands or blinds may be set up two days prior to the hunt you are permitted for and must be removed the last day of your permitted hunt. Stands must be clearly marked with your permit number. No more than one stand or blind per permit may be on the refuge at any time, unless a permitted hunter is accompanied by a youth hunter. Stands for youth hunters must be placed within sight and normal voice contact of permitted hunter's stand and marked with the permit number and the word "youth".

Hunters using flagging or other trail marking material must print their permit number on each piece or marker. Flagging and trail markers may be set-up two days prior to the hunt you are permitted for and must be removed the last day of your permitted hunt. Hunters who do not print their permit number on each marker, or do not remove their flagging or marking material by the last day of their permitted hunt will be cited for littering. Flagging,

Family Spring Turkey Permits

Adults 18 years of age or older must acquire a free, non-transferable Lake Woodruff Family Spring Turkey Quota permit. The permit allows one adult to supervise a youth under the age of 16, the adult must remain within sight and normal voice contact with the youth. Only the youth is permitted to harvest.

Family Spring Turkey Quota Permits are issued through the Florida Fish and Wildlife Commission's (FWC) Recreational Licensing Issuance Services (RLIS) system. Applicants must be 18 years of age to apply. Permits that are lost or stolen may not be replaced.

To apply, go to <http://myfwc.com/license/limited-entry-hunts/>. Scroll down to "National Wildlife Refuge Hunts" and select "Lake Woodruff Family Spring Turkey Hunt." Once selected, scroll to the bottom of the page and select "Apply Online". Permits will be issued through a random drawing. The application periods will begin at 10 am Eastern time on Nov 1, 2018 until midnight Nov 30, 2018.

Once you have obtained the quota permit from FWC, sign the front of this brochure to acknowledge you have read and understand these refuge-specific regulations before hunting. You will be required to have the applicable FWC hunt licenses, the Quota Permit, and signed brochure on your person.

If you have any problems with the issuance of your permit, please contact the FWC at 850/488 3641 (Monday-Friday 8 am - 5 pm). Submitting false information or using another person's identity without their consent is considered identity theft and may result in felony charges and the loss of hunting privileges.

Spring Family Turkey Hunt: March 16 – 25, 2019

The permit bag limit is 1 bearded turkey or gobbler harvested by the youth hunter only. Adults with required licenses and permits for taking wild turkeys may participate when in the presence of a youth, but may not harvest a wild turkey.
