

Hunters may retrieve deer from non-hunting areas of the refuge if: (1) the hunter reports the location to refuge staff; (2) the hunter enters the area without weapons.

Portable tree stands may be used during refuge deer and turkey seasons. Stands may be left overnight and must be tagged with the hunter's name, address, and phone number. Leaving stands does not reserve the area for future hunts. The use or possession of tree spikes are prohibited.

Using lights to locate animals on the refuge is prohibited.

Dog training is not allowed.

A special permit youth firearms deer hunt will be held September 28-29. See State Hunting and Trapping guide for details.

The use or possession of alcohol while hunting is prohibited.

The use or possession of plastic flagging or reflective tacks is prohibited.

Cutting trails or trimming trees is prohibited.

Commercial guiding or participating in a paid guided hunt is prohibited.

Taking or harassing any animal species except those authorized by refuge hunting regulations is prohibited.

Hunting Permitted	Bag Limit	Season Dates

National Wildlife Refuge 2013-2014 Hunting Regulations

Finding the Refuge

Muscatatuck National Wildlife Refuge General Hunt Permit 2013-2014

This brochure contains hunting regulations that must be followed while hunting on Muscatatuck NWR. In addition to these conditions, State hunting regulations apply. This brochure must be signed and in the hunter's possession while on the refuge.

I have read and understand these refuge regulations.

Signature

Muscatatuck National Wildlife Refuge Hunting Map

All hunters must obtain and fill out a harvest report card (available at registration boxes in the refuge), post it on their vehicle dashboard (visible through the window) while on the refuge, then deposit the card in the registration box at the end of their refuge hunt. Harvest must be indicated on card. Possession of more than one harvest report card per hunter is prohibited.

All hunters are required to sign the front of this leaflet in the space provided indicating they have read and understand these regulations, and carry it with them at all times while hunting.

State hunting regulations apply to Muscatatuck subject to the following special conditions:

Hunting is allowed in designated areas only.

All hunters except spring turkey hunters (including archery hunters) must wear orange meeting state regulations.

Refuge hours are one hour before sunrise to one hour after sunset.

Shotguns must be unloaded during transport in a vehicle.

Hunting weapons may not be carried in "No Hunting Zones." Hunter parking is prohibited in No Hunting Zones."

The discharge of firearms is prohibited within 100 yards of any building or public road.

The only firearm allowed for rabbit, quail and squirrel hunting is a shotgun.

Only non-toxic shot may be used in shotguns.

Hunting dogs may only be used for hunting rabbit, quail and squirrel, and must be under hunter control at all times.

Spring turkey hunting is only allowed by special permit the first 7 days of the season and ends at 1 p.m. Turkey hunting is permitted in the turkey hunting area the remainder of the spring season and ends at 1 p.m.

A special youth turkey hunt will be held April 19-20. See State Hunting and Trapping Guide for details.

The refuge muzzleloader deer season, which runs from December 7-22, is by special permit only. See State Hunting and Trapping Guide for details.

Archery deer hunting is permitted from October 20-December 6 and from December 23-January 5. No special permit is needed, but State regulations apply.

One bonus antlerless deer permit may be used during the refuge archery season and one may be used during the refuge muzzleloader season. Two deer per day may be taken from the refuge, but only one may be an antlered buck.
