

SEASONS:

Sp - Spring
 S - Summer
 F - Fall
 W - Winter

ABUNDANCE:

a - abundant: large flocks or seen on every visit
 c - common: seen on most visits
 u - uncommon: seen on about half the visits
 o - occasional: seen on 1/3 or less visits
 r - rare: seen on rare occasion
 t - transient: passing through, 5 or less sightings
 h - historical: historic record, no recent sightings
 2 - any numeral signifies number of sightings if 3 or under
 * - nests locally

HABITAT:

g - open grassland
 f - montane conifer forest
 b - brushy draws
 j - cottonwood-juniper bottomlands
 t - stream-side thickets
 r - rivers and streams
 p - ponds or lakes
 c - rocky cliffs and banks
 m - marshy areas
