## Proposed Right of Way Expansion

The Sam D. Hamilton Noxubee National Wildlife Refuge is proposing to expand the existing right-of-way with Noxubee County to allow bridge replacement work to be completed on Singleton Road at Lynn Creek. The existing right-of-way will be increased to include an additional one-tenth acre of land along the current right-of-way to allow for construction activities and realignment of the road at the location of the bridge. Public comments on this proposed right-of-way expansion will be accepted via mail or email until April 19, 2015.
