Special Conditions

1. Any changes in grazing dates need to be prior approved by the Refuge Manager.
2. The U.S. Fish and Wildlife Service reserve the right to terminate any and all agreements.
3. All general conditions listed on the back of the Special Use Permit apply.
4. Rainfall will play a big part in the management of this unit.

More livestock for a shorter period of time is permitted. Fences are in poor to good condition. Please check all fences prior to submitting a bid. All fence maintenance and repairs will be done by the permittee with fence materials supplied by the U.S. Fish and Wildlife Service. Grazing units may also require the use of temporary fence in some areas (not provided by the FWS).
