

RECYCLED CRAFT ART

Sunday, November 13th

1:30–3:30PM

Education building across from Visitor Center

In honor of America Recycles Day

Have you ever been interested in how to do the “reuse” part of the phrase “reduce, reuse, recycle”? Come to our recycled craft art program to get unique ideas how to reuse toilet paper rolls, 2 liter soda bottles, and more! This event is open to all ages and is family–friendly. **Join us in recycling; bring an empty and clean 2–liter soda bottle with you, if possible.**
