## *Help Us Celebrate International Migratory Bird Day!*

### Turnbull NWR Community Work Party

Turnbull National Wildlife Refuge and Spokane Audubon Society will host a community work party on Saturday, May 11, 2013. This is part of an ongoing community effort to restore native riparian habitat to benefit birds and other wildlife species. We have hundreds of native saplings to plant, and fencing to build at the project site to protect the trees from deer, elk, and moose browsing. Everyone is welcome!

**Attention Groups:** Please call in advance to register. It helps us in our planning if we know how many are coming. The Refuge will also host a *potluck* lunch. Please feel free to bring your favorite dish. Ask for Sandy.

**When:** Saturday, May 11, 2013.

**Planting Time:** 9 am to 12 p.m.

**Lunch:** Potluck 12 p.m. (Hamburgers will also be provided)

**Where:** Turnbull NWR Headquarters, 5 miles south of Cheney on Cheney-Plaza Road: turn left on Smith Road and drive 2 miles on gravel road to headquarters.

**Clothing:** Long-sleeved shirt, work pants, sturdy boots or shoes, gloves.

**Equipment:** (If you can) shovels and pliers.

The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect and enhance fish, wildlife, plants and their habitats for the continuing benefit of the American people. We are both a leader and trusted partner in fish and wildlife conservation, known for our scientific excellence, stewardship of lands and natural resources, dedicated professionals and commitment to public service. For more information on our work and the people who make it happen, visit [www.fws.gov](http://www.fws.gov).
