Nestucca Bay

National Wildlife Refuge Hunting and Fishing Regulations 2020–2021

Welcome

Nestucca Bay National Wildlife Refuge was established in 1991 to protect and enhance habitat for Dusky Canada Geese and Aleutian Cackling Geese. Nestucca Bay NWR actively engages in pasture management with local dairy farmers to offer prime habitat for geese during the winter.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Boats

Hunters accessing refuge lands by boat must use established boat launch areas. Hunters may moor boats within the marsh while hunting.

Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

Hunting and Fishing Regulations

Hunting and fishing regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.”

Hunting and fishing will be in accordance with applicable Oregon Department of Fish and Wildlife regulations subject to the conditions stated below.

Access

When: Hunting on Nestucca Bay refuge lands is allowed seven days per week. Hunters are permitted to enter either unit of the refuge two hours before sunrise and remain until one hour after sunset.

Where: Public hunting on Nestucca Bay National Wildlife Refuge is permitted on approximately 141 acres.

What: Only ducks, geese and coots may be hunted on the refuge. No other wildlife species may be hunted on the refuge.

Dogs

Hunters may use dogs as an aid to retrieving waterfowl during the hunting season. Dogs must be in a vehicle or on a leash until they are in the marsh as part of the hunt. Dogs must remain under control of the handler at all times.

Signs and Boundaries

Please respect the following signs: Applies to the area located behind the sign

- Refuge Boundary: Entry permitted in accordance with refuge regulations
- Closed Area: All entry prohibited
- No Hunting Zone: Hunting, weapons, and game retrieval prohibited

This is a unit of the National Wildlife
Refuge System, a network of lands
and waters managed for the benefit of
wildlife and people.

Nestucca Bay National Wildlife Refuge Waterfowl Hunt Area

LEGEND
