Help Connect People with Nature at the Refuge

Have you thought about volunteering at one of YOUR National Wildlife Refuges? With three Refuges in the Columbia Gorge Scenic Area, there is plenty of conservation work that we need your help to complete. Join us to learn more about how volunteers are helping give back to the Refuge System.

Columbia Gorge Refuge Volunteer Opportunities include:

- **Restoring Native habitats** for Wildlife
- **Greeting** the public along the trail
- **Providing Outreach** on and off-site
- **Additional special projects**, as available

By becoming a volunteer, you will get to spend time in nature while helping conserve it for future generations of wildlife and people to come. Located just 20-minutes east of the Portland/Vancouver Metro Area, the Refuge is a great place to escape to.

Join this training to see how **YOU CAN GET INVOLVED.**
