

Ridgefield National Wildlife Refuge Complex

NEW Volunteer Webinar Series

Join us Tuesdays in March for a 4-part Webinar Series to learn more about the Refuge and how Volunteers make it all possible.

While listening live is ideal, webinars will be recorded for those who have scheduling conflicts.

Long-term volunteers, new and old, will be required to watch these for information regarding updated Volunteer Policies and changes at the Refuge. *Information on how to listen live will be provided prior to each Webinar.*
