Volunteers are needed for the Platte River Cleanup. Join the Royalton Lions and Friends of Crane Meadows in this grassroots effort to protect one of Minnesota's rivers.

Participants are encouraged to fish and/or simply enjoy the sights and sounds of nature or as they help beautify the Platte.

Volunteers may work by land or by water— if you wish to bring a canoe, you may do so, or one will be provided for you upon request.

Participants should dress appropriately for outdoor conditions. Those using canoes should bring lifejackets.

For information or to volunteer, please call 320-632-1575.
