- 1.** Color the Owl face and mouse using crayons or markers.
- 2.** Using scissors, cut out the Owl face and mouse pellet.
- 3.** Lay flat paper bag (lunch sack) and using glue, glue the owl face to the top of bag. Hint: Make sure the owl beak is over the bag fold, like a puppet.
- 4.** Open up the bag - under the crease of the bag fold, glue the mouse.
- 5.** Optional - Decorate the front of your bag to give the owl feathers. All done!
