# JUNIOR RANGER AT HOME

## Make your own T-shirt Bag

Did your favorite T-shirt get a tear or has a stain? Don't throw it away - use it to create your very own T-shirt reusable bag! Follow these simple steps and say "NO" to single-use bags.

### You Will Need:

1. Old T-shirt, any size
2. Scissors (sharp)
3. Your favorite adult to help

1. Using a pair of sharp scissors (maybe some help from your favorite adult too) cut off the sleeves of the T-shirt. Save the pieces for another craft (make T-shirt bracelets).

2. Next cut the neck of the T-shirt out - make the cut whatever size you would like for the opening of your reusable bag.

3. At the bottom of the T-shirt cut one inch sections, similar to that of a no-sew blanket, across the entire bottom of T-shirt.

4. Tie the cut segments of T-shirt using half knots (same knot you use to tie your shoes!). All done - now you can use this bag instead of a single-use bag, if it gets dirty just throw it in the wash, like you would a T-shirt.

Remember to share a picture of your T-shirt bag with us on Facebook @SoutheastLouisiana.
