JUNIOR RANGER AT HOME Wildlife Word Scramble

Everyone likes a good puzzle - here is another Wildlife Word Scramble! Answer the puzzle questions by filling in the answers to the squares and circles. Then use the circled letter to find a "code word." The "code word" is the theme for Friday's LIVE Ranger program!

I have a three-part body with six legs and sometimes a pair of wings.

I am a bird that has keen eyesight, a sharp beak and talons.

I am an omnivore who likes to eat small animals, berries and honey.

This is the term we use to define an animal's home.

I am an herbivore who shows my white tail when alarmed.

Put all the circled letters below. unscramble them to write out the code word.

Code word is: _____
