

Become a Southeast Louisiana National Wildlife Refuges

JUNIOR RANGER AT HOME Wildlife Word Scramble

Everyone likes a good puzzle – what about a Wildlife Word Scramble? Answer the puzzle questions by filling in the answers to the squares and circles. Then use the circled letter to find a “code word.” Hint: wildlife is native to Louisiana.

I move slowly and can take shelter in my hard shell.

■ ● ■ ■ ■ ■

I am long, thin and slither on my belly to get around.

■ ■ ● ■ ■

I am great at catching bugs at night, even though it is hard to see!

● ■ ■

I am an insect with brightly colored wings that hatches from a chrysalis.

■ ■ ■ ■ ■ ■ ■ ■ ●

I am a bird that is active at night, has large eyes and great, listening ears.

● ■ ■

Put all the circled letters below. unscramble them to write out the code word.

● ● ● ● ●

Code word is: _____
