United States Youth Conservation Corps

The Youth Conservation Corps (YCC) is a well-balanced work-learn-earn program that develops an understanding and appreciation in participating youth of the nation's environment and heritage. It is administered by the U.S. Department of Agriculture - Forest Service, and by the U.S. Department of the Interior--Fish and Wildlife Service and National Park Service. YCC offers gainful summer employment to youth, for approximately eight weeks, in a healthful outdoor atmosphere.

Enrollees will be paid the minimum wage for a 40 hour work week. Most projects will enroll an equal number of males and females.

Projects include building trails, maintaining fences, cleaning up campgrounds, improving wildlife habitat, and thinning timber stands. Participants will do hard physical work and may be exposed to insects, poison oak and ivy, adverse weather, and difficult working conditions.

Eligibility Requirements

Young men and women, 15 through 18 years of age, who are permanent residents of the United States, its Territories, or possessions, are eligible for employment without regard to social, economic, racial, or ethnic backgrounds. Handicapped youth who can effectively participate in most YCC activities are eligible. Youth must have no history of serious criminal or other antisocial behavior that might endanger their safety or that of others; have or be able to obtain a work permit as required under the laws of their State; have a Social Security number or have made application for one; be willing and able to work hard and participate in most work projects. Employment is without regard to Civil Service or classification laws, rules, or regulations.

How You Can Enroll

To apply, youth meeting these qualifications should complete this YCC application form and return it at the earliest possible date to the nearest unit of a National Park, National Forest, or national Fish and Wildlife Refuge or Hatchery.

Applicants will be selected on a random basis and will be notified of selection. Demographic information such as age, race, and family income is not used in the selection process.
