

Savannah National Wildlife Refuge

NO ENTRY
 All trails marked with a solid red line are closed until further notice.

Do not feed alligators!
 It is against state and federal law to feed or harass this reptile in any way. When fed, alligators lose their fear of humans and become aggressive, expecting handouts from every person they see. These nuisance alligators must be removed. Alligators are an important part of the refuge's natural environment, so please enjoy watching them from a distance.

Tune your radio to 1610 AM for an interpretive audio tour of the wildlife drive.
