

Sunrise Photography Tour at Bulls Island

Saturday, August 27th

5:00 AM

Cape Romain is closed from dusk to dawn, and no camping is allowed on refuge islands. This means that very few people get the opportunity to witness the sunrise on the Boneyard Beach of Bulls Island. Having seen it ourselves, we know that this is a rare and special moment, standing on a pristine shoreline and witnessing a breathtaking sunrise peak over the horizon within a National Wildlife Refuge.

The ferry leaves from Garris Landing, Awendaw at 5 a.m. Call refuge concession Coastal Expeditions for information and booking at 843.884.7684
