Dear Youth Hunter:

The Eastern Neck National Wildlife Refuge (refuge) is part of the Chesapeake Marshlands NWR Complex. The refuge is one of over 560 national wildlife refuges in the United States whose primary objective is to provide habitat for the conservation and protection of wildlife. The refuge is situated along the mouth of the Chester River and the Chesapeake Bay. The region is well known for waterfowl and waterfowl sportsmen. The refuge provides an important migration and wintering habitat for migratory birds, namely waterfowl.

The refuge will host its annual Spring Youth Turkey Hunt April 11, 2015 and April 18, 2015. Review the enclosed materials, instructions, and complete the enclosed Big Game Hunt Application. The refuge partners with the National Wild Turkey Federation to provide a quality and educational Youth Turkey Hunt.

For questions or comments I can be reached Monday through Friday 8:00 am to 4:00 pm at 410-639-7056 x228.

Sincerely,

Cindy Beemiller
