Dear Youth Hunter:

Eastern Neck National Wildlife Refuge (refuge) is part of the Chesapeake Marshlands National Wildlife Refuge Complex. The refuge is one of over 560 national wildlife refuges in the United States whose primary objective is to provide habitat for the conservation and protection of wildlife. The refuge is situated along the mouth of the Chester River and the Chesapeake Bay, and provides an important migration and wintering habitat for migratory birds, namely waterfowl.

The refuge will host its annual Spring Youth Turkey Hunt April 13, 2019 and April 20, 2019. Review the instructions and complete the enclosed form. The refuge partners with the National Wild Turkey Federation to provide a quality and educational Youth Turkey Hunt.

For questions or comments I can be reached Monday through Friday 8:00 am to 4 pm at 443-521-7593 or email [easternneck@fws.gov](mailto:easternneck@fws.gov).

Sincerely,

Annji Bagozzi  
Deputy Complex Manager
