

Patuxent Research Refuge Boy Scout Workshops Spring of 2014

The following workshops for Boy Scouts are being offered this spring and will cover most or all requirements for the badges indicated. These workshops are free; however, donations are greatly appreciated and can be donated through the Friends of Patuxent. Space is limited, and **registration is required** by calling **301-497-5887**. **Registration will not be accepted until 9:15 am one month prior to the date of the workshop** (i.e., if the workshop is on October 1st, then registration will not be accepted until 9:15 am on September 1st). A maximum of ten, **(10)** scouts will be accepted from **each pack and/or troop**. (Back-to-back Webelos Workshops are to allow more packs an opportunity. Please limit total scouts to ten per pack in back-to-back events.) Participants must stay for the entire workshop. All workshops will be held at the National Wildlife Visitor Center, rain or shine. Please dress for the weather. Please note that all workshops **are subject to change or cancellation** dependent upon availability of staff and/or low registration numbers. Other programs may be available; call and ask to speak to our Scout Coordinator.

Scout workshops will be announced seasonally to allow us to ensure leader availability.

Cub Scouts:

Tiger Conservation Belt Loop Workshop

Tigers will complete belt loop requirements
and 3 of 5 requirements toward conservation pin.
