

Kautz Waterfowl Production Area

Legal Description

Kautz Waterfowl Production Area, Arvada Township, Sections 3 & 4, T133N, R70W, Logan County, North Dakota

Proposed Grazing Prescription

AU = Animal Unit

<u>Year</u>	<u>Unit(s)</u>	<u>Grazing Period</u>	<u>Stocking Rate (minimum)</u>	<u>Acres Grazed (approx.)</u>
2021	7, 8, 9, 11, 12	~110 days	90 AU (75 pairs)	400
2022	8, 9, 10, 12	~110 days	90 AU	345
2023	7, 9, 10, 11	~110 days	90 AU	300

*Final permitted grazing periods and stocking rates will be determined through negotiation between the successful permittee and the refuge manager. Willingness to cross-fence may result in reduction of minimum AU required and/or additional grazing days. Not all units will be grazed every year. Refuge manager reserves the right to split this permit in the case of a tie or logistical issues.

Rental Fees

Fees are charged by the animal unit equivalent (AUE) for the number of days grazed. Rates are set annually and are based on USDA NASS publications and FWS policy. 2021 fees are \$19/animal unit month and \$22/cow-calf pair/month. Animal unit equivalents are calculated as follows:

Mature Cow = 1.0 AU	Cow w/ nursing calf = 1.2 AUE	Bull = 1.5 AUE
Yearling (9-18 mo.) = 0.7 AUE	Mature Sheep = 0.2 AUE	Sheep w/ lamb = 0.3 AUE

Requirements

Permittee will be responsible for maintenance/repairs of approximately 54,000 feet of fence. The USFWS will supply fencing materials for pre-approved construction and maintenance/repairs. Permittee is responsible for keeping livestock in and following the grazing schedule.
