

## Mund Waterfowl Production Area

### Legal Description

Mund Waterfowl Production Area, Haag Township, Section 35, T133N, R67W, Logan County, North Dakota  
 Roloff Township, Sections 3&4, T132N, R67W, McIntosh County, North Dakota

### Proposed Grazing Prescription

AU = Animal Unit

Year	Unit(s)	Grazing Period	Stocking Rate (minimum)	Acres Grazed (approx.)
2021	2, 3	~90 days	55 AU (45 pairs)	175
2022	1, 4	~60 days	45 AU (35 pairs)	95
2023	1, 5, 6, 7	~90 days	55 AU	155
2024	2, 3	~90 days	55 AU	175

\*Final permitted grazing periods and stocking rates will be determined through negotiation between the successful permittee and the refuge manager. Willingness to cross-fence may result in reduction of minimum AU required and/or additional grazing days. Not all units will be grazed every year.

### Rental Fees

Fees are charged by the animal unit equivalent (AUE) for the number of days grazed. Rates are set annually and are based on USDA NASS publications and FWS policy. 2021 fees are \$19/animal unit month and \$22/cow-calf pair/month. Animal unit equivalents are calculated as follows:

Mature Cow = 1.0 AU	Cow w/ nursing calf = 1.2 AUE	Bull = 1.5 AUE
Yearling (9-18 mo.) = 0.7 AUE	Mature Sheep = 0.2 AUE	Sheep w/ lamb = 0.3 AUE

### Requirements

Permittee will be responsible for maintenance/repairs of approximately 36,000 feet of fence. The USFWS will supply fencing materials for pre-approved construction and maintenance/repairs. Permittee is responsible for keeping livestock in and following the grazing schedule.
