Recreation Opportunities

This cabin offers seclusion and fair fishing for Arctic Char and Rainbow Trout. The boat provided at the cabin allows the anglers opportunities to fish and explore the lake shore. Wildlife includes moose, black and brown bears and wolves. Hunting is allowed. In the winter there is cross-country skiing and snowshoeing. Review Alaska Department of Fish and Game hunting and fishing regulations.

Special Considerations

Users must provide a U. S. Coast Guard approved flotation devices for each passenger transported on boats. When using power boats, a "no-wake" restriction applies to Dolly Varden Lake. Dolly Varden Lake is closed to public aircraft operation and snowmobiling. The seclusion of this cabin necessitates being prepared for emergency situations. Inclement weather may cause an unexpected extension of the trip. Bringing a personal cooking stove is recommended. Carry in potable water or boil surface water 5 minutes before drinking. Remember to pack out your trash.
