Families Understanding Nature (F.U.N.)

Every Wednesday from 10:30 am—11:15 am

Program designed for ages 3-5 and their families

Stories, songs, puppets and crafts will be utilized for hands-on learning for little nature lovers. Meet us in the Kodiak Wildlife Refuge Visitor Center Multipurpose Room.

Wednesday, June 6: Volcanoes: They're a Blast!

Wednesday, June 13: Home, Home on the Refuge

Wednesday, June 20: Romps, Wrecks, and Pods, Oh My!

Wednesday, June 27: I Got the Moves like Mammals

Happy Trails

Every Saturday at 1:00 pm

Join one of our staff for outdoor adventures and activities for children of all ages and their families.

Saturday, June 9: Volcanoes Affect Us All

Meet at the Group Rec Site at Fort Abercrombie to learn about volcanoes! Find evidence right here in Kodiak of the 1912 eruption of Novarupta.

Saturday, June 16: Sitka Spruce Sensory Stroll

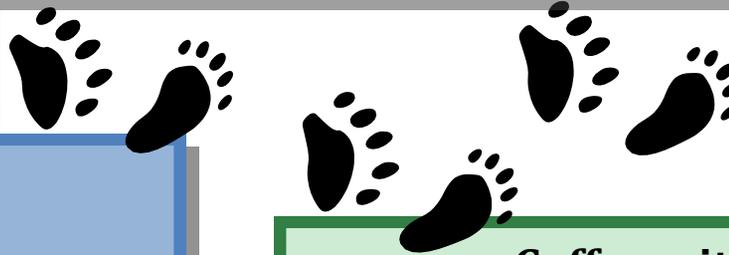

Can we hear like the little brown bat, smell like the Kodiak bear or see like the bald eagle? Join Dana at the Northend Trail on Near Island to explore our senses.

Saturday, June 23: Whale of a Tail

Come to Miller Point at Fort Abercrombie to have a whale of a good time learning about the giant mammals that migrate through Kodiak's waters.

Saturday, June 30: The Many Marvels of Mud

Along with spring showers comes mud! Meet at the Buskin Beach Pavilion to explore the wonders of mud and use mud to paint wonders of our own.

Coffee with a Ranger

Every Thursday from 11:00 am—12:00 pm

Join us for a ranger talk or special guest speaker. Meet in the Kodiak Wildlife Refuge Visitor Center Multipurpose Room. We'll provide the coffee!

Thursday, June 7: Bear the Truth

Learn about the 8 bear species found throughout the world, including our very own Kodiak Brown Bear.

Thursday, June 14: WWII and the Alaskan Home Front

Engage in the epic accounts of World War II in Alaska and here in Kodiak.

Thursday, June 21: Catch This!

Fish, fish, and...oh wait, more fish! Enjoy hearing Ranger Caryn talk about commercial, sport and subsistence fishing.

Thursday, June 28: Aquatic and Marine Species of Kodiak

Dive into the world of the aquatic and marine species inhabiting our neighbor, the ocean.
