

October 2012

F.U.N. Families Understanding Nature

Every Wednesday
10:30-11:15am

For 3-5 year olds and their families. Join us for stories, songs and crafts for little nature lovers.

Kodiak Brown Bag Lunch Series

Bring a lunch and join us for presentations and discussions with local biologists, scientists and researchers.

October 4: "A Walk to the Refuge" by Island Trails Network

October 11: "Your Kodiak Refuge: What is it?" by Gary Wheeler (Kodiak Refuge)

October 18: "What's Cool about Ice?" by Brian Himelbloom (KSMSC)

Thursdays at 12:00pm

Open Tuesday—Saturday, 10:00am-5:00pm. For additional information on our programs call 487-2626, visit our website at www.fws.gov/refuge/kodiak or stop by!

National Wildlife Refuge Week

October 9, 7-8:00pm: History of Non-native Mammals on Kodiak Refuge Refuge Wildlife Biologist, McCrea Cobb will discuss what species have been introduced to Kodiak Refuge, their histories, and their current status.

October 10, 7-8:00pm: Partnered Management of Invasive Species in Kodiak Come hear Supervisory Refuge Biologist, Bill Pyle talk about the efforts of Kodiak Refuge and its partners to minimize the invasive species threat to Kodiak's unique wild-land resources.

October 11, 6:30-8:30pm: Kids' Night at the Refuge Drop off your children, ages 7-12, to enjoy an evening of games, activities and crafts as we celebrate birds for National Wildlife Refuge Week. Call 487-2626 to reserve a spot or check availability the day of the event.

October 12, 7-8:30pm: Green Fire: Aldo Leopold and a Land Ethic for Our Time Come view the first full-length, high-definition documentary film ever made about this legendary environmentalist.

October 13, 2-5:00pm: Saturday Afternoon Refuge and Wildlife Films Come view 5 short films about Alaska's Wildlife Refuges. Films will be played on loop throughout the afternoon.
