1020 Ranch Road in Loleta

## "Fabulous Local Frogs: Facts & Lore"

*A presentation by Ellin Beltz*

*Pacific Chorus Frog by David F. Thomson*

"Frogs teach us that the more we learn, the more we need to know." according to Ellin Beltz.

Discover some interesting facts,  
hear fascinating stories  
and be inspired about frogs

Ellin Beltz has an extensive background in herpetology and natural history. Author of **"Frogs - Inside Their Remarkable World"** (2005/2009), she taught geology and biology at Morton Arboretum, Field Museum of Natural History, Chicago Academy of Sciences, Northeastern Illinois University, Trinity Christian College, University of Chicago's Wyoming Dinosaur Field Camp. She wrote a monthly herpetology column for 20+ years and has completed numerous publications and scientific illustrations. She moved to Humboldt County in June 2001 and taught at CR's Hoopa Extension Campus for one year. For the past six years she has worked online, creating virtual terrain and animated creatures as well as teaching computer arts and scripting.
