Junior Duck Stamp Classroom Presentation Reservation Application 2019-2020

Free classroom Junior Duck Stamp presentations are available for schools and other groups (scouts, afterschool, homeschool, etc) in Glenn, Colusa, Butte, and southern Tehama Counties from the Sacramento National Wildlife Refuge Complex. Have a naturalist come to your classroom and provide your students with hands-on science and art with lessons about waterfowl, wetlands, and migration. Final projects have students creating images that are entered in the annual state contest (postmark date February 1). Students and teachers will receive free materials to assist them with drawing and learning about waterfowl, wetlands, and conservation.

Section I: Group Information

School/Organization:	Contact's Name:	First time to have a JDS presentation? _ __ Yes __ No
Mailing Address:	Email Address:	Have you participated in the JDS contest before? __ Yes __ No

Section II: Presentation Information

Presentations are available Tuesday through Friday from January – early March. Other dates are on a limited basis. We recommend a classroom program (max 35 students) and not an auditorium presentation. This permits students to have hands-on activities. Outreach presentations are available for first through sixth grade but can be adapted for other needs.

Date of Program: (1st choice)	2nd Choice:	3rd Choice:

- Describe what you are studying or what you hope to gain from this presentation.

- Please use this space to explain any special needs and/or special considerations for your group.

Section III: Program Information

Reservations must be made at least two weeks in advance. If we do not receive your registration form, a date cannot be reserved for you. Fill out a separate form for each day you plan to have presentations. To help accommodate all groups, please contact the refuge if you need to cancel or reschedule. **Please send in this form even if you have already spoken with refuge staff on the phone. We will send you a confirmation form.**

**Please fill in the time you would like the presentation(s). Each presentation will take ~60 minutes to conduct. For the 2019-2020 season, there are 2 naturalists available per time slot Wednesday - Friday allowing 2 classrooms to receive presentations at the same time.

If only one presentation, feel free to offer this presentation to other classrooms in your school to save on fuel!
