

US Fish & Wildlife Service
with California Waterfowl
Present:

Junior Duck Stamp Presentations

School dates available February 7-10, 2017

- **Free** classroom Junior Duck Stamp presentations for schools
- Have a naturalist come to your classroom and provide students with hands-on science and art with lessons about waterfowl, wetlands, and migration
- Final projects have students creating images that are entered in the annual state contest
- Students and teachers will receive free materials to assist them with drawing
- Correlates with Next Generation Science Standards
