### **Event Information**

Give a brief description of the event, audience, and location of the exhibit: (admission and what proceeds go towards, event open to public, approximate attendance, etc)

The exhibit is available for professional, trade, civic, educational, or public service events. Use of the exhibit must give no unfair commercial advantage. This criterion normally rules out individual business and advertising uses, but not events that public relations firms organize for public service or educational sponsors.

The exhibit requests for fund raising events benefiting a single organization or events sponsored by religious or political groups, are normally not approved.

A separate admission charge may not be made to view the Junior Duck Stamp exhibit, nor can any admission increase be made because of the addition of the Junior Duck Stamp exhibit. Although this exhibit may be part of a larger exposition which charges an admission fee, such as an art fair, it may not be the major attraction of such an event.

During the period of exhibit is in the custody of the sponsor, the sponsor will pay expenses relating to its operation, including maintenance and repair. During this period the sponsor assumes the risk of, and is responsible for, any loss of, or damage to, the exhibit except for reasonable wear and tear. The sponsor will contact the Sacramento NWRC before conducting any repairs.

The sponsor assumes responsibility for any liability, damages or injuries to person or property arising out of or in any way connected with the sponsor's possession or use of the exhibit, and shall hold the Government harmless against any claims arising hereunder.

All exhibits shall be displayed indoors unless written exception is given. The specific location of exhibits will be agreed upon by the sponsor and the Sacramento NWRC before the loan of the exhibit is approved. Once finalized, approval must be granted by the SNWRC before the exhibit can be moved to another location.

The sponsor shall not assign to another person or entity this agreement or any part of the rights under this agreement, except as otherwise agreed to by the United States in writing.

I understand that I am responsible for receiving, assembling, disassembling, and shipping back the exhibit. I understand that I am responsible for watching over the exhibit during the event, preventing theft and damage to the exhibit, and will provide the information included to promote the sale of Federal and Junior Duck Stamps, the Junior Duck Stamp Contest, and youth education of waterfowl, wetlands, and conservation through the arts.
