I. Hunting Program

The public hunting program on Delevan National Wildlife Refuge (Refuge) is **administered by the U.S. Fish & Wildlife Service in cooperation with the California Department of Fish and Wildlife**. Parts of the Refuge are closed to hunting for sanctuary and management purposes. This Refuge contains 5,877 acres of which 1,922 are open to controlled hunting for geese, ducks, coots, moorhens, snipe and pheasant concurrent with the seasons established by the State of California. Be sure to observe signs designating closed areas or restricted zones.

Hunting is by entry permit only. Permits, passes, stamps, or any license items WILL NOT BE SOLD at the check station. Visit www.wildlife.ca.gov for more information. The check station will open at 6:00pm on Fridays for the Saturday and Sunday shoot days and 6:00pm on Tuesdays for the Wednesday shoot days. Shoot time begins ½ hour before sunrise. **Please refer to the “California Regulations for Waterfowl and Upland Game Hunting on State and Federal Areas” (CDFW Booklet) for daily shoot times, permit fees and Refuge Specific Regulations.**

II. Obtaining and Returning an Entry Permit

- A. **Reservation** application forms are available at sporting good stores where hunting licenses are sold and on the website www.wildlife.ca.gov. Application deadline is 17 days in advance of the desired hunting date. Hunters with reservations will be issued entry permits in the numerical order stamped on their reservation starting 2 hours before shoot time. **Reservations are valid only when presented at the check station at least 1 hour before shoot time. There are no exceptions.**
- B. **Vacancies** which result from reservation “no shows” and hunters checking out of the area during the day are filled from a waiting list which is established by lottery drawing at the check station. The check station opens at 6:00pm on Tuesdays and Fridays to begin accepting lottery entries. The lottery is conducted at 8:00pm and results are posted soon afterwards. Hunters may leave the area once they have obtained their lottery number but must be present when their number is called.
- C. **Lottery procedures** are posted at the check station and online at www.fws.gov/refuge/Sacramento. A lottery purge will occur at 8:00am. Names of hunters that are not present will be removed from the list.
- D. **There will be no re-fills or entry permits issued after 3:00pm.** All hunters **must check out at the check station**, report hunting results, and return the entry permit before leaving the area by 1½ hours after shoot time ends. Hunters must vacate refuge no later than 1½ hours after legal sunset unless participating in overnight stay at hunter check station on Tuesday, Friday or Saturday night.
