

EMERGENCY PROCEDURES

INJURY EMERGENCIES

- A First Aid Kit and blanket are in the Pumphouse.
- Life-Threatening Emergency? Call 911 from the phone in the pumphouse.
- Call a staff person at (510) 792-0222 to report any injuries.
- Washington Clinic is the closest urgent care facility
number: (510) 797-7535; address: 35500 Dumbarton Ct., Newark (at entrance to Refuge, take a left on Thornton Ave., take a right onto Jarvis Ave., take a left on Dumbarton Ct., Clinic is on the left at the end of Dumbarton Ct.)

FIRE EMERGENCIES

- If you see a fire, alert staff at (510) 792-0222 from phone in pumphouse.
- Everyone report to center of the main parking lot. Stand between rows of vehicles.
- Take a head count and make sure everyone is in the group.
- A staff person will check on you and will inform you when it is safe to leave the parking lot.

EARTHQUAKE EMERGENCIES

- Don't remove seriously injured individuals unless they are in immediate danger.
- Inside the Pumphouse, Pavilion or Picnic Shelter: "DUCK, COVER, AND HOLD" under desks and tables.
- Outside: Move to a clear area, away from trees, signs, buildings, electrical wires and poles and "DUCK AND COVER."
- After the earthquake, report to the center of the main parking lot.
- Take a head count and make sure everyone is in the group.
- A staff person will check on you and will inform you when it is safe to leave the parking lot.
- Remain calm and be prepared for aftershocks.
- Check for injuries, apply first aid.

NOTE

- There is a bridge at the entrance to the refuge. In the event of a major earthquake do not attempt to leave the refuge until a staff member has evaluated the safety of the bridge.
- If access to and from the refuge is cut off, a staff person will direct the group to either remain where they are or to the safest accessible place. Treated water and minimal food is kept in storage at the refuge and will be made available to the group.
