Sargent Permit Waterfowl Hunt Area

San Bernard National Wildlife Refuge

The San Bernard National Wildlife Refuge will accept applications for the permit waterfowl hunts in the Sargent Unit from September 1 until September 30. We must receive all applications during that period and will not accept any applications received before or after these dates. A \$45.00 fee will be collected if selected.

Lottery Draw Information

We will hold a public drawing at the Complex Office on the second Wednesday in October at 9:00 a.m. You do not need to be present to be selected. If selected, permittees are allowed to hunt on Saturday and the following Wednesday of the week for which they have been selected. Permittee may bring up to three additional party members. This may include any combination of hunters and children observers (ages 9 and under). Permittee must be present for hunts. We will notify persons selected by e-mail within 10 days. Upon payment a hunt packet including the permit, regulations, and map will be e-mailed. Due to ease of access, we will give priority for Area #1 to those with limited mobility. Undrawn hunt areas/weeks may be purchased on a first come, first serve basis beginning the Thursday of the hunt week. We only accept one application per person. You must be 18 years or older to apply for a permit.
