of the refuge. Along the way, this moderate-to-strenuous hike passes many awe-inspiring geologic landforms. Look for sparrows in the winter, millipedes in the summer and lizards most seasons!

Ladrones Vista Trail
This 1.9-mile trail connects with the Mesa View and Nature Loop Trails. Explore this rock lined path through arroyos and up the side of the mesa. Along the way you will marvel at the beauty of Sevilleta, the Ladrones and middle Rio Grande Valley. While exploring this moderate-to-strenuous trail keep your eyes peeled for birds, lizards and insects on this diverse trail!

Rules and Regulations
Come prepared for changing conditions with these essentials: sunglasses, sunscreen, a hat, water, sturdy shoes, and a first aid kit. Depending on the season, you may need rain gear or extra layers of clothing.

1. Please stay on designated trails and obey posted signs.
2. Use caution when crossing on roads. Yield to approaching vehicles.
3. Observe wildlife from a safe distance. Young animals should be left alone.
4. Help protect resources. All plants, wildlife, and cultural features on the refuge are protected and it is illegal to remove them.
5. Pets must be on leash or under control.
6. Visitors are prohibited from being under the influence of intoxicating beverages or controlled substances.
7. Possession or use of alcohol is prohibited on the refuge.
8. Follow the posted signs to stay on trail.

Mesa View Trail
Trail head is located on the northwest side of the Visitor Center. This 3.8-mile trail immerses you in the beautiful New Mexican landscape. This trail skirts around the edge of the mesa before climbing to the top, providing far reaching views of both the east and west sides of the refuge. Along the way, this moderate-to-strenuous hike passes many awe-inspiring geologic landforms. Look for sparrows in the winter, millipedes in the summer and lizards most seasons!

Nature Loop
This 1.1-mile loop is located just south of the Visitor Center and is a wonderful way to get acquainted with the refuge! Follow the sandy rock lined path into arroyos, past several benches with excellent views and up a few hills. While on this moderate hike, keep an eye out for quail, rabbit and lizards as well as coyote and deer tracks!
