## National Wildlife Refuge Complex Public Use Regulations 2021–2022

### Hillside, Holt Collier, Mathews Brake, Morgan Brake, Panther Swamp, Theodore Roosevelt and Yazoo

#### Welcome

Refuges are located south of State Highway 82 in the South Delta of Mississippi in the Lower Mississippi River Valley. Refuges are located from just south of Greenville, down towards Vicksburg, over to Yazoo City, and back up to Greenwood. TR Complex consists of seven Refuges, Hillside, Holt Collier, Mathews Brake, Morgan Brake, Panther Swamp, Theodore Roosevelt, and Yazoo National Wildlife Refuges. All entry is prohibited at Theodore Roosevelt NWR. Resident species making their home among the woodlands, sloughs, and reforested areas include the American alligator, white-tailed deer, swamp rabbit, wild turkey, squirrel, and various small furbearers.

Visitors are encouraged to explore natural resources by way of birding, canoeing, hiking, photography and wildlife observation. TR Complex continually strives to better provide these opportunities. Most trails are open to foot traffic year round, please consult current Refuge regulations and maps in this brochure. Kiosks, on-the-ground signage, and/or TR Complex FB may contain additional information and updates on closures.

This is a unit of the National Wildlife Refuge System, a network of lands and waters managed for the benefit of wildlife and people.

#### General Regulations

Public use regulations are designed to protect the sportsman and wildlife populations. The regulations below supplement the general regulations which govern all public uses on National Wildlife Refuges as set forth in Title 50, Code of Federal Regulations. All users are allowed on the Refuge in accordance with State and Federal regulations as supplemented by the following special Refuge regulations contained herein. Violation of Refuge or State regulations may result in confiscation of Refuge Permit in addition to prosecution.

#### **TR Complex Annual Public Use Permit (Valid August 1 through July 31 each year)**

The TR Complex Annual Public Use Permit process is transitioning to an online only approach this year. TR Complex Annual Public Use Permits are \$15 plus a \$5 processing fee and must be purchased at <https://trcomplex.recaccess.com>. First time users purchasing a permit through RecAccess will need to create an account. Once an account is set-up, an Annual Public Use Permit can be purchased directly on the RecAccess website. For all technical support, including password resets, contact [support@recaccess.com](mailto:support@recaccess.com)

Each person 16 years of age and older participating in hunting (including calling and/or videoing) or fishing must possess a valid TR Complex Annual Public Use Permit (paper copy or on your electronic device i.e., phone, Ipad, etc). This permit is non-refundable, non-transferable, and is required in order to be eligible to apply for Limited Draw Hunts. The permit must be in your possession whenever hunting or fishing on the Refuge, and acknowledges your understanding of refuge regulations.

#### **Daily Visitor Information Card**

Individuals that are either hunting or fishing must obtain a Daily Visitor Information Card available at Hunt Information Stations (see maps). This card must be displayed on the vehicle dash for each hunter or angler and submitted prior to leaving the Refuge. All harvested fish and game must be accurately recorded. Visitors that are not hunting or fishing are encouraged to display and submit a Daily Visitor Information Card.

#### **Firearms**

Persons possessing, transporting or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with Refuge regulations (50 CFR 27.42) and specific Refuge regulations (50 CFR Part 32).

#### **Closed Areas and Times**

Temporary or permanent closure of TR Complex areas may occur due to unforeseen circumstances. Please check for on-the-ground signage, Check Stations, entry points, kiosks, and/or on the TR Complex FB for updates.

All other public activities on TR Complex are prohibited during firearm deer hunts and Limited Draw Hunts. Refer to TR Complex Hunt Season Table below for an updated list of scheduled hunts.
