About the Trails

Jeff Friend Trail – WHEELCHAIR ACCESSIBLE. Explore the maritime forest and adjacent Little Lagoon. Many species of plants and birds can often be seen along this trail.
Rating: Easy to Moderate.
Time: 1 hour. **Distance:** 1 mile Loop.

Centennial Trail – Explore maritime forest, dune swales and discover local wetlands on this quiet trail.
Rating: Moderate (ground may be wet in some areas).
Time: 2 hours. **Distance:** 2 miles one way.

Gator Lake Trail – Walk along a dune ridge and see many species of birds and plants that are typical of this transitional habitat between the maritime forest and the frontal dunes.
Rating: Moderate (sandy terrain).
Time: 1½ hours. **Distance:** 1 mile one way.

Pine Beach Trail – Explore the plants and wildlife of an intact dune ecosystem that includes maritime forest, scrub and dune habitats. This trail is unique with a saltwater lagoon on one side and a freshwater lake on the other. Many seaside plants are found here.
Rating: Moderate to strenuous (some sandy terrain).
Time: 2 hours. **Distance:** 2 miles one way.
