Bear River Migratory Bird Refuge

We're looking for friends to become volunteer team members!

Volunteering is one important way that you can participate with the Bear River MBR – It's a great way to get outside, get involved with wildlife conservation, learn about birds and their habitats, educate visitors, and meet other enthusiasts.

Bear River Refuge is currently seeking committed volunteers to fill the new Assistant Ranger-Naturalist position at its world-class wildlife education center. Interested?

Call us @435-734-6438.

Bear River Migratory Bird Refuge was established in 1928. It provides feeding, resting, and breeding habitat for millions of birds annually.
