General Provisions

Chincoteague National Wildlife Refuge is one of more than 560 national wildlife refuges managed by the U.S. Fish and Wildlife Service. The refuge was established in 1943 to provide habitat and protection for migratory birds. The refuge mission has expanded to include protection of endangered and threatened species; as well as stewardship of native wildlife. Chincoteague National Wildlife Refuge provides environmental education and wildlife-dependent recreation to all visitors. Hunting is one tool used to manage wildlife populations at a level compatible with the environment, provide recreational opportunities, and permit the use of a valuable renewable resource.

General Hunt Regulations: *White-tailed Deer*

Orientations

No hunter orientation is required. Hunters must adhere to regulations published in this brochure, all VA hunting regulations, and those specific regulations that apply to the hunting of deer in Accomack County, VA.

Bag Limits

Daily bag limits are set by Virginia State Regulations. The taking of wildlife other than white-tailed deer is prohibited.

Other General Regulations

All Federal and State hunting regulations apply.

State requirements for hunting licenses and stamps apply.

State requirements on the use of firearms, muzzleloaders and bows apply.

Hunters must have their permits in possession prior to entering the refuge to scout or hunt, and must carry it at all times while scouting and hunting..

Reporting all harvested animals must comply with state requirements for check-in and also be indicated on check-in/out sheet (see below for additional information).

A sign-in/out box is located at the kiosk in parking area one (see map). Each hunter must sign in immediately before entering and sign out after exiting the hunt zone.

All harvests must be reported on the sign-in/out sheet.

330' closed area around eagle's nests.

Hunters must park in designated parking areas.

Non-hunters or persons not in possession of a valid refuge permit are not permitted on the refuge.

All hunters must make a reasonable effort to recover wounded animals.

Discharging any weapon within 50' of the centerline of any road or on/from/into a safety zone is prohibited.

The boundaries of the hunt zone are recognized in the field by prominent signs. Each hunter is responsible for knowing the boundaries of the hunt zone.

Federal government worksites may be staffed during the hunt. The zone around these sites is posted closed to hunting (see map). Hunters may enter this zone strictly

for the purpose of accessing the hunting area and must have their weapons unloaded. There shall be no loitering in areas closed to hunting.

Hunters may pursue downed or crippled deer into the safety area (closed to hunting around the worksites). Contact the refuge headquarters for assistance if needed to dispatch wounded animal.

Tree stands permanently attached by nails, wire, screws, or in any other way is **prohibited**. **Portable stands are permitted and may remain installed for the duration of the season**. All stands must be removed at the close of the season. The U.S. Fish & Wildlife Service is not responsible for any personal property left unattended.

The use of a boat, all terrain vehicle (ATV), bicycle or saddled animal is prohibited.

The minimum age allowed to hunt on the refuge is 12. Hunters must reach the age minimum by the date of their assigned hunt and the child must meet Virginia state licensing requirements.

Hunters between the ages of 12 and 17 must be accompanied and directly supervised by a mentor over 18 who has on their person a valid Virginia hunting license and refuge permit.

Scouters and hunters must sign-in and out at the refuge kiosk. Scouters and hunters must wear a minimum of 400 total square inches of blaze orange material consisting of a **vest and hat or jacket and hat**. Blaze orange camouflage is not acceptable.

Any hunters who require assistance with retrieving or dressing harvested animals may apply for up to 2 non-hunting permits. This permit will allow an assistant to be present only during retrieval and dressing of harvested animals. Requests for non-hunting assistant permits must be indicated on the hunter's application.

Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with wildlife regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).
