Water Canaries

Record the **Total Number** of each **Type of Macro-invertebrate** you find.

Type	Total
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.	

Sketch a picture of your favorite macro-invertebrate that you caught today.

What other wetland animals did you catch today?

What questions do you still have about macro-invertebrates and water quality?
