ATTENTION WATERFOWL HUNTERS

Please note that the buoys that used to mark the boundaries of the Refuge Waterfowl Hunt Areas are being phased-out and replaced with Signs mounted on the banks of the River (See Sign below). Also, Marker/Sign #3 that marked the northern boundary below Sherman's Bridge in Wayland/Sudbury has been moved south (See Map Below). Please make sure you are south of Sign #3 before setting up to hunt.

Questions may be addressed to Federal Wildlife Officer Chris Kelly, at 978-579-4030.
