Public Use, Hunting and Fishing Regulations

2016-2017

Dale Bumpers White River National Wildlife Refuge

Dale Bumpers White River National Wildlife Refuge, established in 1935, contains approximately 160,000 acres of prime bottomland hardwood habitat located within the floodplain of the lower White River. For management purposes, most of the lands within the refuge have been divided into a North Unit and a South Unit which are separated by Arkansas Highway 1. Refuge out-lying tracts are not depicted in this brochure; however maps are available upon request. These tracts are open for hunting in accordance with state seasons and bag limits of surrounding zone. All users are permitted on the refuge in accordance with State and Federal regulations as supplemented by the following special refuge regulations.

Access and Vehicle Use

The maximum speed for any land vehicle is 25 mph, unless posted otherwise. Refuge roads on the South Unit are open to motorized traffic March 1 through December 15 except the Jacks Bay waterfowl hunt area will remain open through duck season. All other refuge roads are open all year. Roads are commonly temporarily closed to land

vehicles due to flooding. A locked gate, road closed sign, or other barrier (i.e. mounded dirt) means the road is closed to all motorized vehicles but not to bicycle/foot travel unless signed otherwise. For refuge road and closure information, call the refuge headquarters at 870/282 8200, extension #1.

All licensed vehicles must stay on gravel or paved roads. ATV's or UTV's may only be used on yellow marked trails and are only allowed for wildlife dependent hunting and fishing activities. The trails are marked with high visibility yellow paint on trees.

An ATV or UTV is defined as a vehicle with a maximum tire pressure of 15 psi, a maximum dry weight of 1550 lbs., and with tires having a centerline lug depth of 1 inch or less. Only those vehicles originally designed by their manufacturer to be ATVs or UTVs are allowed; mini-trucks or other modified off-road vehicles are prohibited. Personal watercraft (jet-ski, sea-do) are also prohibited. ATVs or UTVs may not be stored on the refuge or left unattended except while actively hunting or fishing near the ATV or UTV.

Jon Boats 16 feet or less (without motors) with owner's name and address permanently displayed or valid registration may be left on the refuge from March 1 to October 31. **All boats must be removed from the refuge November 1 through February 28.**

Required Permits

A User Brochure/Permit or signature section from the front page must be in possession and signed by ALL refuge users. A User Brochure/Permit can be downloaded and printed from the refuge website at www.fws.gov/refuge/white_river/ An additional quota hunt permit is required to participate in the modern gun quota deer hunt and the muzzleloader quota deer hunt. Quota hunt permits are non-transferable and non-refundable.

General Hunt Regulations

State bag limits apply for all hunts unless indicated otherwise in this brochure. Hunters who have harvested their limit of deer and need to assist others to a stand and/or help remove a deer must do so **without** being in possession of a **weapon**.
