

KIDS TO THE CACHE

Help give local kids the chance to canoe the Cache River...visit 1,000-year-old cypress trees...have close encounters with great blue herons and bird-voiced tree frogs...learn about southern Illinois' rich natural and human history at the Cache River Wetlands Center...and so much more!

KIDS TO THE CACHE, sponsored by Friends of the Cache River Watershed, provides grants to help local schools cover transportation costs for field trips to the Cache River State Natural Area and Cypress Creek National Wildlife Refuge.

Grants are awarded in the fall and the spring; for more information, contact Jodie Delaney at jodied87@gmail.com.

Your donation helps make it possible for the Friends to provide transportation grants to more local schools – every dollar goes directly into the **KIDS TO THE CACHE** program. Thanks so much for your support!
