Dear friend of the Freedom Farmers,
Thank you so much for your charitable
Donation. your money goes directly
into helping fund our second year
program. This program is so important
to me and my fellow crew members.
This program has helped me to communicate
better, to learn to love being outside,
to appreciate my food and where it
comes from. Without this program,
I would be lost. That is why I
Thank you from the bottom of my
heart for the money you have
given. It impacts us more than you know.

love,

Emily Gravatt ♡

Dear ally to the Freedom Farmers,
Your contribution means more to me than you
can imagine, to be able to afford resources
for the farm is exciting and forever lifts the
availability for culture, expansion, and spirit.
Throughout this program the Freedom Farm has
come up against many challenges, YOU made
these challenges smaller and smaller each day.
Not only am I thanking you for the contribution,
but having the ability to believe in our aspirations
and soon to come ~~accomplishments~~ accomplishments,
you are greatly appreciated.

Sincerely,
Ryan Avery
