

Wolf Creek National Fish Hatchery

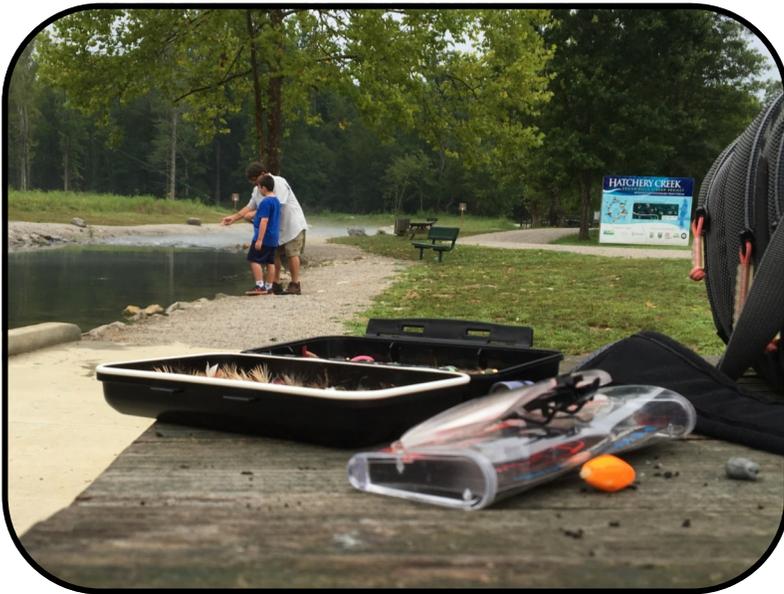

Fly Fishing Clinics

Aug. 18, 5-7 pm CDT and Aug 20, 8-10 am CDT

Interested in learning how to fly fish? Register for our fly fishing class! During this class, participants will learn proper fishing etiquette, how to operate fly fishing equipment, how to cast, and how to select a fly based on conditions. Get behind the scenes expert tips for fishing Hatchery Creek. Learn how to locate and catch the “big one.” No previous experience is necessary. Participants are not required to attend both classes.

Meet at the Wolf Creek NFH Visitor Center! Fishing will take place at Hatchery Creek!
